

Vietnamfish Co., Ltd., established in 2014, specializes in the production and export of premium frozen seafood. Our products are meticulously sourced and processed using advanced technologies that comply with HACCP standards and have FDA recognition, ensuring the highest levels of food safety and freshness.

At Vietnamfish Co., we view our customers not just as buyers but as valued partners with whom we seek to build long-term, sustainable relationships. Trust and customer satisfaction are the cornerstones of our business philosophy.

With a skilled workforce of hundreds and a highly experienced technical and management team, our production capacity is steadily increasing, currently stabilizing at up to 10,000 tons of seafood annually. We project this capacity to grow to 20,000 tons over the next three years.
